Date Capitalism the integral of win-win  
Departure from it's a m, shoot & repeat  
Destination target them as sinners  
Odometer reading The double negative makes for  
Total mileage Neutral gambles of post-reshelling  
Route taken Parties in office, awe of  
official policies, all skilled at  
"Sust. Milling"

What I/we did Manufactured consent comes  
free, honorable blood, sweat & spirit - tall  
equity, occulted taxes, policy, &  
Food & drink mysterious personal reasons for  
upholding traditionally syncretized  
arbitrariness. On the contrary, it's

Where I/we stopped/stayed Impersonal  
trust & transparency with the  
commendancy of respect & privacy.

Places & things for next time Why make "incredibly  
realign, distortion of Truth Science,  
are we supposed to die to sustain  
living? Sounds like talking with little  
to no <sup>conscience</sup> killing

Yeah, but the staples I feel /  
this way, too high to eat some phoe by  
dead muscle supplies muscle. That he  
is see through, fishy shit but
